**Passports, visas & travel**

Participants (other than the selected emerging voices or invited people) are responsible for their own travel arrangements and are advised to check the validity of their passport and the visa requirements for their own country. A letter of invitation can be obtained from the colloquium secretariat upon request but is not a commitment for the payment of any expenses.

## **Miscellaneous**

### *Language*

The colloquium languages are English and French. Simultaneous translation will be provided for.

### *Responsibility*

The Colloquium organisers are not responsible for any loss, accident or injury that may occur during the event.

### *Insurance & medical assistance*

Participants are advised to obtain appropriate travel insurance and need to have a proper health & accidents insurance as well as a civil liability insurance to ensure their entry into Belgium. Participants with an acute health problem during the event can rely on the dispensary of the ITM for medical assistance.

### *Internet*

The ITM offers free internet access. Some hotels do the same, however most of them will ask a fee.

### *DigiCorner*

During the Colloquium computers are available in the DigiCorner. Parts of the colloquium will be recorded. Our technical staff is available for technical support and further questions relating IT issues.

### *Weather*

In November, the average temperature in Belgium can be as low as 0°C, with frequent showers.

### *Tourist information*

The ITM is located at 5 to 10 minutes of Antwerp's historical centre and main shopping area. More tourist information about Antwerp can be found at <http://visit.antwerpen.be/>. Free maps of the city are available at the ITM.
