Call for ITM's 8th Journalist-in-Residence programme is open

Apply before 30 June 2021

Thank you! We received your message.

Name

Contact information

Affiliation with media organisation(s)

(If freelance, please list some of the media organisations for which you have recently completed assignments.)

Type of media

Describe whether it is an article, a series of articles, a podcast (online or radio). Please specify in what medium you intend to publish. It is not necessary to have a contract or accepted story proposal at this time.

Type of media

Professional references

List two references, along with an e-mail address or phone number where we can contact them.

Professional references

Examples of recent work

Copy or provide web links to three articles or assignments you have completed in the last two years, or to older work if you feel it is more pertinent.

Examples of recent work

How did you hear about this programme?

How did you hear about this programme?

Professional experience

Please past your current resume or curriculum vitae in the below field, or alternatively send it to communicatie@itg.be. If you have completed other fellowship programmes or if you have won any awards for your journalism, please list them.

Professional experience

Can we add you to the ITM mailing list to receive the monthly ITM newsletter?

- Yes
- No
